

## Group Eleven Enters Into a Non-Brokered Private Placement

**Vancouver, Canada, June 12th, 2020** – Group Eleven Resources Corp. (TSX.V: ZNG; OTC: GRLVF; FRA: 3GE) (“**Group Eleven**” or the “**Company**”) is pleased to announce a non-brokered private placement (the “financing”) totalling 1,000,000 units at a price of \$0.05 per unit for gross proceeds of \$50,000. All currency is denominated in Canadian dollars.

Each unit will consist of one common share and one half non-transferrable common share purchase warrant. Each warrant will entitle the holder thereof to purchase one additional common share in the capital of the Company at \$0.10 per share for 36 months from the date of issue.

Use of proceeds will be for exploration, as well as, general and administrative purposes. The financing is subject to regulatory approval and is expected to close immediately after the close of the second tranche of the transaction with Glencore Canada announced on May 15, 2020. All securities to be issued pursuant to the financing are subject to a hold period under applicable Canadian securities legislation that expires four months and one day after the closing date of the Offering.

### Cautionary Note Regarding Forward-Looking Information

This press release contains forward-looking statements within the meaning of applicable securities legislation. Such statements include, without limitation, statements regarding the future results of operations, performance and achievements of the Company, including the timing, content, cost and results of proposed work programs, the discovery and delineation of mineral deposits/resources/reserves and geological interpretations. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Forward-looking statements are

typically identified by words such as: believe, expect, anticipate, intend, estimate, postulate and similar expressions, or are those, which, by their nature, refer to future events. The Company cautions investors that any forward-looking statements by the Company are not guarantees of future results or performance, and that actual results may differ materially from those in forward looking statements as a result of various factors, including, but not limited to, variations in the nature, quality and quantity of any mineral deposits that may be located. All of the Company's public disclosure filings may be accessed via [www.sedar.com](http://www.sedar.com) and readers are urged to review these materials, including the technical reports filed with respect to the Company's mineral properties.
