About Group Eleven Resources

Group Eleven Resources Corp. (TSX.V: ZNG; Pink: GRLVF and FRA: 3GE) is a mineral exploration company focused on zinc exploration in the Republic of Ireland. The Company was formed in 2015 and completed its initial public offering on the TSX-V in late 2017. The key asset of the Company is the PG West and Stonepark Projects covering a dominant and central ground position in the Limerick region, adjacent to licenses held separately by Glencore and South32, respectively. Group Eleven's largest shareholders are Glencore Canada Corp. (20.8%) and Micheal Gentile (16.5%). The Company first announced the Ballywire discovery (at the 100%-owned PG West Project) in September 2022. Additional information about the Company is available at www.groupelevenresources.com.

About Virtual Investor Conferences®

Virtual Investor Conferences (VIC) is the leading proprietary investor conference series that provides an interactive forum for publicly traded companies to seamlessly present directly to investors.

Providing a real-time investor engagement solution, VIC is specifically designed to offer companies more efficient investor access.
